SMARTECH

THE NEW

PCHARGE

COMPACT INTELLIGENT BATTERY CHARGERS

POWERED BY SMARTECH INTELLIGENCE

Mecc Alte introduces pCharge, a new compact platform within our industrial charging range. Powered by Smartech enabling intelligence, pCharge delivers efficient, microprocessor-controlled charging in a heavily optimised, space-saving format.

- Compact
- Intelligent
- Industrial

CORE FEATURES

SMARTECH INTELLIGENCE	Advanced microprocessor control
MULTI-STAGE CHARGING	Optimises battery health and lifespan automatically
UNIVERSAL AC INPUT	Highly efficient design ready for global deployment
DUAL-PURPOSE	Seamlessly functions as a standard Power Supply Unit (PSU)
TOTAL PROTECTION	Fully guarded against overloads, short circuits, and faults
SMART INTEGRATION	Easy installation with fault alarm connectivity

THE MECC ALTE CHARGER FAMILY

pCharge
Compact intelligent charging platform

uCharge
Universal charging solutions

sCharge
Smart multi-stage charging

fCharge
Flexible charging solutions

SmartCharge
Advanced intelligent charging solutions
